

Gas Malaysia to supply natural gas to HMSB

GAS Malaysia Bhd announced that it has agreed to the terms for the construction of a gas distribution pipeline and metering facilities for the supply of natural gas to Honda Malaysia Sdn Bhd (HMSB). In an exchange filing yesterday, Gas Malaysia stated the estimated total amount of transaction stands at RM4.17 million, adding the supply date of the natural gas to HMSB is by July 2016. The deal is entered in the ordinary course of business and undertaken on an arm's length basis, the company noted.
